Re: UXO Tech I Training  
Program Course Certification

Subject course has been reviewed and certified for UCCS continuing education credit in accordance with the Memorandum of Understanding signed September 15, 2008.

Students who satisfactorily complete 150 program hours may be awarded 10 CEUs subject to final application and payment. Partial credits are not authorized. Earned credits will become part of the student's permanent record at UCCS, and may be obtained by submitting a valid transcript request.

This certification remains in effect for a period of one year unless the course is significantly changed or termination of the MOU, whichever comes first.

A handwritten signature in black ink, appearing to read 'R. White'.
